

GIVE – The Gift of Food

Bless a family this Christmas by providing all the ingredients for a Christmas meal. Below are a few suggested items to include in your Gift of Food box.

Keep in mind when purchasing food that the families will not be receiving their gift until December 14. Please, do not include perishable items or items that may spoil prior to pick up. If you plan to include a *turkey, ham or whole chicken, please keep separate and deliver to the food pantry so they can be refrigerated until distribution.

We suggest providing enough food for a family of four to six. Feel free to personalize your gift and be as generous as you would like.
